# CONCEPT

---

Bring together Kitchen Equipment Companies, Hospitality groups and key suppliers of Equipment, technology and services to a wide range of visitors from around the world.

An online Exhibition save production costs (insurance, shipping, installation), solve conservation/preservation problems (e.g., handling of fragile or rare objects), reach lots more people: "Access to information is no longer restricted to those who can afford travel and museum visits, but is available to anyone who has access to a computer with an Internet connection.

Exhibitors can launch their newest product, solution or service present their solutions for optimal engagement among attendees/huge audience.

Visitors can engage with Exhibitors from home or office in the today's tough time of COVID-19.
